

Steeple Renewables Project

Statutory Consultation

20 January - 03 March 2025

RES is commencing statutory consultation on proposals for Steeple Renewables Project, a new solar farm project with battery storage located at Sturton-le-Steeple, Nottinghamshire.

We're inviting your feedback on our revised plans to help shape the final proposals before we submit our Development Consent Order (DCO) application later this year.

Our statutory consultation will run from **Monday 20 January**, lasting for six weeks **until 11:59pm on Monday 03 March 2025**.

Consultation events

We hope that you will be able to attend one of the following events to learn more about Steeple Renewables Project, speak with the project team and share your thoughts:
